

Talk It Over

McLane at the Movies

Week #4 - Legos 2

July 27 & 28, 2019

Introduction:

Living in harmony with others is one of our greatest challenges. Jesus tells us to love God and love others, that the world will know him by the love we show to others. May we be encouraged as we learn to “clothe ourselves with love” together.

Warm-up Questions:

1. What was your favorite toy as a child? Why did you favor that particular toy?
2. Share a childhood story of play time with your siblings or a story of play time with a childhood friend.

Read: Colossians 3:12-17

Discussion Questions:

1. Share with the group what most resonates with you in this passage and why.
2. What challenge do you personally find in this passage?
3. What practical step can you take this week to “clothe yourself in love”?

Going Forward:

Spend time in prayer for your group praying for the challenges each person shared. It may be helpful to break off into groups of 2 or 3 to pray more specifically for one another.
